DEPARTMENT OF LABOR

Office of Federal Contract Compliance Programs

Approval of Information Collection Requirements; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA). 44 U.S.C. 3506(c)(2)(A). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Office of Federal Contract Compliance Programs is soliciting comments on its proposal to implement standard procedures for supply and service contractors seeking approval to develop affirmative action programs based on functional or business units. A copy of this information collection request (ICR), with applicable supporting documentation; including among other things a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained from the RegInfo.gov

Web site at <http://www.reginfo.gov/public/do/PRAMain> or by contacting the office listed below in the addresses section of this Notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before September 14, 2015.

Instructions: Please submit one copy of your comments using only one of the methods listed above. Because we continue to experience delays in receiving mail in the Washington, DC area, commenters are strongly encouraged to transmit their comments electronically via the [regulations.gov](http://www.regulations.gov) Web site or to submit them by mail early. Comments, including any personal information provided, become a matter of public record and will be posted to the [regulations.gov](http://www.regulations.gov) Web site. SUPPLEMENTARY INFORMATION:

I. *Background:* The Office of Federal Contract Compliance Programs (OFCCP) administers three nondiscrimination and equal employment opportunity laws. These authorities prohibit employment discrimination and require affirmative action to ensure that equal employment opportunities are made available by Federal contractors regardless of race, sex, sexual orientation, gender identity, color, national origin, religion, status as a qualified individual with a disability, or protected veteran status:

- Executive Order 11246, as amended (E.O. 11246);
- Section 503 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 793; and
- The affirmative action provisions of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212.

For purpose of this clearance, the regulations permit Federal supply and service contractors to develop affirmative action programs (AAPs) that are based on business function or

business unit rather than AAPs based on establishments.¹ Functional affirmative action programs (FAAPs) are designed to provide contractors with the option of creating AAPs that better fit their business needs. To develop and implement a FAAP, Federal contractors must receive written approval from the Director² of OFCCP. On December 17, 2012, OFCCP issued Directive Number 305, Functional Affirmative Action Programs, which replaced Directive 296. This Information Collection Request (ICR) addresses the recordkeeping and reporting requirements involved in the procedures for obtaining a FAAP agreement as well as updating, modifying and certifying an existing FAAP agreement.

A separate ICR, approved by the Office of Management and Budget (OMB) under OMB number 1250-0003, addresses developing establishment-based AAPs and scheduling compliance evaluations for supply and service contractors with establishment-based AAPs.

II. *Desired Focus of Comments:* The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the compliance and enforcement functions of the agency, including whether the information will have practical utility;
- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- enhance the quality, utility and clarity of the information to be collected; and
- minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The Department of Labor seeks the approval for the renewal of OMB approval of this ICR so that it can enforce the anti-discrimination and affirmative action provisions of the legal authorities it administers.

SUPPLEMENTARY INFORMATION:

Title: Information on Meetings with Outside Parties Pursuant to Executive Order 12866.

Abstract: E.O. 12866, "Regulatory Planning and Review," issued by President Clinton on September 30, 1993, establishes and governs the process under which OIRA reviews agency draft and proposed final regulatory actions. Consistent with the disclosure provisions of E.O. 12866, OIRA provides information about its work related to regulatory reviews on [Reginfo.gov](http://www.Reginfo.gov) at www.Reginfo.gov and on OIRA's Web site at <https://www.whitehouse.gov/omb/oira>. OIRA makes public all substantive communications with any party outside the Executive Branch concerning regulatory actions under review. If the OIRA Administrator or his/her designee meets with outside parties during a review, the subject, date, and participants of the meeting are disclosed on the [Reginfo.gov](http://www.Reginfo.gov) Web site, as well as any materials distributed at such meetings.

These meetings occur at the initiative and request of an outside party. Any member of the public may request a meeting about a regulatory action under OIRA review, and may invite other outside parties to attend. OIRA's role in these meetings is limited to listening to feedback on the regulation under review. OIRA invites representatives from the agency or agencies issuing the regulatory action. OIRA and agency staff may ask clarifying questions, but do not take minutes. OIRA does, however, post on RegInfo.gov any written materials provided by outside parties, including the initial meeting request.
